

Consultant Biographies

Lori Braunstein is an experienced group facilitator and has mentored dozens of Green Teams throughout the state and region. She is the Director of Green Schools at The Delaware Valley Green Building Council, the founder and President of Sustainable Cherry Hill (SCH) and the President of MaGa Sustainability Consulting, LLC. She is a 2010 Environmental Leadership Program (ELP) Fellow, holds an advanced certificate from the Cloud Institute for Sustainability Education, is a member of the Climate Reality Leadership Corps and is credentialed as a LEED Green Associate. Lori and SCH have helped guide Cherry Hill Township through the Sustainable Jersey Silver Certification process and are currently partnering with the Cherry Hill School District and Camden County on comprehensive sustainability plans.

Natalie Barney is a land use planner with 8 years of community and municipal planning experience. She earned her Master's Degree in Regional Planning from the University of Massachusetts, Amherst in 2006 and is a 2011 Environmental Leadership (ELP) Fellow. As a land use planner in Southwest New Hampshire she was responsible for outreach and education regarding land use issues to over 36 towns as well as the manager of the area's Brownfield Mitigation Program. She worked closely with civic associations, non-profits, and municipalities creating community master plans, downtown revitalization plans, open space plans and hazard mitigation plans. In New Jersey, Natalie served as the Zoning Board Administrator, Green Team Manager, and Business Liaison for Cherry Hill Township for 4 years in which time she helped the Township create its first Sustainability Plan, an Open Space and Recreation Plan, and a Bicycle and Pedestrian Master Plan. She also worked closely with SCH to lead Cherry Hill Township to its Sustainable Jersey Silver Certification. She has worked with Sustainable Jersey as a workshop presenter helping towns prepare and organize themselves for the process of certification and has presented the work achieved in Cherry Hill Township to a number of municipalities in the South Jersey area.
