- October & September minutes not yet ready.

### GUEST AND VISITORS

All welcomed and thanked for attendance

### COMMUNITY OUTREACH

- The Recreation Department requested volunteers to help with arts and crafts beginning at 2 pm at the annual Trunk or Treat event on Saturday at TCNJ. Lisa and Joanne decorated an EGT trunk during that time and were unable to help with the arts and crafts..
- Members were asked to donate candy to fill our trunk. We were told that last year there were about a thousand trunk or treaters. That's a lot of candy to buy and give out. Help with supplies was much appreciated. Money was also donated by several members of the EGT to help defray candy costs.

### ANNOUNCEMENTS

- There was a public meeting about the ESCC rebuild at Hollowbrook on Monday, November 13 at 6 pm in the Community Room. A number of Green Team members attended to give a sustainability perspective in their comments.
