EWING GREEN TEAM

*Promoting People, the Planet, and Prosperity in
Ewing*

Long Term and future goals:

- To promote an equity Fellowship at MCCC
- OEA Program Partnership with Capital City Farms (Located in North Trenton)
- High School Projects- promote Careers in Conservation

FRIENDS OF HOPEWELL VALLEY (FOHVOS)

Jenn Rogers, Executive Director of the organization. Before this post, she also worked with Mr. Watson at the Mercer County Parks Commission. She gave a stimulating presentation about the work that FHVOS does and talked about the many natural opportunities in Ewing. Types of activities conducted by FOHVOS include:

- Students will develop plans to improve service to local parks
- Evaluation of Red Alge Blooms in waterways
- Development of Urban Gardens
- Invasive species management
- Deer population management

There seemed to be numerous opportunities for the Green Team to work with the folks at FOHVOS in the coming year(s).

Joanne thanked all the speakers for their time and their inspiring presentations.

Meeting Adjourned.

Respectfully Submitted,

Caroline Steward
